GEO 3105: AGRICULTURE AND DEVELOPMENT

DATE: 16th /12/2022

DURATION: 3 HOURS

TIME: 9:30 AM TO 12:30 PM

Instruction:

1. Attempt any 4 questions

2. Clearly indicate the question number attempted on the answer booklet.

1. 'Growth in the agriculture sector is two or four times more effective in raising incomes among the poorest compared to other sectors. Agriculture is also crucial to economic growth, accounting for 4% of global gross domestic product[GDP] and in some least developing countries, it can account for more than 25% of G.D.P. 'For the case of Uganda, point out the major challenges this sector is facing and suggest workable solutions. [25 marks]

2 Analyze the various government intervention strategies towards improving agriculture especially in the rural areas of Uganda [25 marks]

3. From a development perspective, examine the major agricultural systems of the world and their significance to the general regional or global development. [25 marks]

4 Discuss the major developments in agriculture from the 1940s to present [25 marks]

5 Identify and discuss the various agricultural regions of the world and link them to the economies of the regions [25 marks]

6 Examine the agrarian reforms in Eastern and central Europe and Uganda. [25 marks]

7. What is the rationale of Agricultural geography? [25 marks]
