QUESTIONS

1. Since you are almost through with your Master's studies, you are invited to facilitate at a School Leaders' Forum in your district and you are assigned the topic, "*Delegating to obtain school goals*". Outline and explain what you would share with your colleagues about this important topic in school leadership.
2. Suppose you are appointed to head Balalu government-aided Secondary School, which is infamous for student indiscipline, poor grades and rottenness of the entire school environment. Teachers are interested only in drawing their salary and nothing more! What would you do in the short term and for the longer term to positively transform Balalu S.S?
3. "Good leadership is a collective activity". Assess the accuracy of that statement with reference to proper management of educational institutions.
4. Assess the benefits of four motivational theories to school leaders and managers.
5. Good communication is vital for the success of any school. Propose a good communication system for your school and explain why you consider your proposal as good for school management.

DO YOUR BEST AND GOD WILL DO THE REST
