Instruction

1. Read the examination rules and regulations in the answer booklet clearly before writing your answers
2. Answer three questions in all
3. Question one is compulsory
4. Do not write on this question paper
5. Your answers must be written in clear handwriting

- 1) a) Conflict analysis is not an "objective art" and it is influenced by different world-views. Clearly explain and discuss the three main world views underpinning conflict analysis(15mrks)

b) Mr. Cox and Mrs. Cox have five children and they live with two in-laws from both partners making a total of eleven members in their household excluding the maid and house boy Mrs. Cox brought to help in household chores. The first (female) and second (male) born have completed their studies and working while the other three are in A-level, O-level and primary seven. Mr. Cox who recently lost his job is finding it hard to fund the needs of the family and wants some of the in-laws (both sides) to leave. However, Mrs. Cox wants hold on her relative and let go of Mr. Cox's relative (her in-laws). Coupled to this he wants Mr. Cox to pay her two sisters in the University despite her having the potential to pay her sisters. The tension at home is increasing and Mr. and Mrs. Cox can no longer have the usually relationship but somehow they don't want the children to know despite the two elders bitterly supporting the opposing sex.

In line with this story, use the conflict tree analysis and mapping tools to analyse this conflict and relationships respectively. As an expert in peace and conflict management how would you address this problem (25mrks).

- 2) a) What is reconciliation? (5mrks)

- b) Using an example in your community or any community in African, explain how reconciliation has been conducted (10mrks)
- c) To what extent has peace education contributed to a culture of peace in a community of your choice (15mrks)
- 3) a) Social learning theory is one of the theories that explain the genesis of conflict. Explain how this theory brings about conflicts (15mrks)
- b) Account for the factors that are responsible for political instabilities in most of the sub Saharan African countries? (15mrks)
- 4) a) With examples, elaborate on the African understanding of conflict and peace? (8mrks)
- b) What are the key social development concerns associated with conflicts? (10mrks)
- c) As a conflict expert now, examine how Africans can address the issues of conflicts and build peace for social development (12mrks)
- 5) Nelson Mandela once said "Peace is the greatest weapon for development that any person can have." Using examples, account for the validity of this statement. (30mrks)

Good luck!!
