Question

From the field study undertaken on 21st June 2022, write a comprehensive report not limited to Procurement Tactics and Operations but also the supply chain management as a whole highlighting the following;

- | | |
|---|-------------------|
| 1. Clear background and either study objectives or expectations | (10 marks) |
| 2. Field study findings or experiences | (30 marks) |
| 3. Lessons learn | (30 marks) |
| 4. Conclusions | (10 marks) |
| 5. Recommendations | (20 marks) |

You are free to make any other subheadings under the main themes

Remember, this is not a group work so similar answers / report will not earn any marks

Good luck
