### **QUESTION ONE**

"The state shall be guided by the principles of decentralisation and devolution of government functions and powers to the people at appropriate levels where they can best manage and direct their own affairs." According to Kabwa, an LLB III Student at Madogo University, the policy of decentralization has made the local leaders' demigods in their areas of jurisdiction and is no longer about bringing services closer to the people but "eating".

***Do you agree with Kabwa? Give reasons for your answer.***

### **QUESTION TWO**

"Administrative law has developed and applied rules for the purpose of defining the scope of any function conferred on an administrative agency." In light of the foregoing statement, discuss the legal aspects relating to the status, composition, procedures, characteristics and powers of the following: -

- a)** Attorney General
- b)** Inspectorate of Government
- c)** Judicial Service Commission
- d)** Public Service Commission
- e)** Education Service Commission
- f)** Electoral Commission
- g)** Human Rights Commission
