-

QUESTION ONE

Young people are at the heart of today's great strategic opportunities and challenges, from rebuilding the global economy to combating violent extremism to building sustainable democracies. *(Former US Secretary of State Hillary Rodham Clinton at a Youth Rising, Tunisia, February 25th 2012).* How would you assess the contribution of the youth to the development of your country? (25 marks)

QUESTION TWO

- a) With concrete examples, explore how youth are viewed within your society? (10 marks)
- b) What challenges do youth face as they contribute to the development process of their societies? (15 marks)

QUESTION THREE

- a) Examine the cost of youth unemployment to the socio-economic development of your country. (13 marks)
- b) What recommendations would you give to check on unemployment in your country? (12 marks)
