

**Uganda Martyrs University**  
**Faculty of Science**

BSc Econ, Fm & Gen III 2013/2014  
*Science, Economics & Ethics*  
Final Assessment: 9th December 2013  
Time: 3 Hours

**INSTRUCTIONS:**

- i) Read the questions carefully and understand them.
- ii) Answer only **ONE (1)** question from **Each Section**.
- iii) Use **GOOD BLUE** ink and do **NOT** write more than **4 PAGES** per question.

**Section A**

1. How important is the *Scientific Method* in any country's economic development? How, would you advise your government to improve its organisational infrastructure to attain better competitiveness especially in regional trade?

**Section B**

2. Utilitarianism is the most practical decision making theory. How would you justify such statement basing on the life at Uganda Martyrs University? What major weaknesses have you identified in this theory?
3. Deontology is based on duty and relationship between persons. How is it *effectively* applied in corporations?
4. What is *Corporate Social Responsibility*? How is it effected and how does it connect with social justice especially in your country?

**Section C**

5. Why and how would you advise *small, rural and struggling* business operators to use mobile phones to advertise their enterprises?
6. "The best way to stop whistleblowing is to encourage it." Discuss.
7. Basing on the film *Disclosure*, discuss the relevance of accurate and timely information flow in any business success.

*Good Luck & Merry Christmas*
