

Uganda Martyrs University
Faculty of Science
Bsc Gen, Fm, Econ
Science, Economics & Ethics
Final Assessment 10th December 2014
Time 3hrs

INSTRUCTIONS:

- a) Read the questions carefully and understand them.
- b) Answer only ONE (1) question from Each Section.
- c) Not more than 4 pages per question
- d) Use GOOD BLUE ink

Section A. (50%)

1. How do *Business* and the *Scientific Method* complement each other? How would you explain to business people in Uganda the concept of *competitiveness* and *sustainability* in this regard?

Section B. (25%)

2. Why and how does the *Scientific Method* make sense in the application of the Utilitarianism ethical theory in business decision making?
3. How and why should you consider Deontology as part and parcel of effective Corporate Governance?
4. What is the difference between Social Justice and Corporate Social Responsibility (CSR)? How and why should business people engage more in CSR in your country?

Section C. (25%)

5. How is corporate governance practiced in institutions of higher learning in Uganda? Is it the same way as it is done in other commercial businesses?
6. What is corruption? According to your definition, how could you effectively fight it in your country and why?
7. How would you convince your government that Environmental Conservation is central to sustainable development especially in peasant economies like that of Uganda?

Good Luck & Merry Christmas
