Semester One Final Examination

Academic Year 2014 - 2015

Thursday, 4<sup>th</sup> December 2014

09:30am -12:30 pm

---

### Instructions:

1. Please read the instructions carefully before answering the questions
  2. Read each question carefully and write legibly
  3. Attempt question one (1) and any other two (2) questions
  4. Do not write anything on the question paper
- 

### Question One:

- a. Discuss the salient features of developing countries of Africa.
- b. Discuss the view that "Many African countries have had their per capita incomes progressively increasing but without a corresponding development".

### Question Two:

"Is a high population an asset or a liability"? With reasons discuss this view in light of any one African country.

### Question Three:

God blessed the African continent with Natural resources but everywhere you go people are entrenched in absolute poverty. Using evidence from a country of your choice, examine the causes of this poverty on the continent and suggest strategies being undertaken to reverse the situation.

### Question Four:

To what extent does globalization promote Development in developing countries like Uganda?

### Question Five:

With examples, examine the reasons why majority of African countries have always been victims of a huge debt burden. Suggest practical remedies for the problem.

### Question Six:

With the deadline period for the Millennium Development Goals winding up, write a report to the president of Uganda highlighting their major successes and failures for your country's development.
