DEPARTMENT OF MANAGEMENT SCIENCE

BAM I (AUG INTAKE)

SEMESTER TWO 2021/2022

**COURSE UNIT: INTRODUCTION TO PROCUREMENT
MANAGEMENT**

CODE: PRO1207

DATE: 22ND JULY, 2022

TIME: 2:00 PM - 5:00 PM

Instructions:

- ✓ Answer any four questions.
- ✓ All questions carry equal marks.
- ✓ Do not write anything on the question paper

Question One

- a. Explain what is meant by procurement process. State the processes. (10marks)
- b. Explain the five different ways that organizations evaluate procurement. (15marks)

Question Two

- a. Being a student of procurement, explain what procurement requirement means and state the classes of procurement. (9marks)
- b. In the practice of procurement, there are eight principles that are supposed to guide the professional in the practice. State and explain them (16marks)

Question Three

- a. The operation of PPDA came into force in March 2003 after abolishing the old procurement regulatory body. Explain the five objects for the establishment of PPDA. (10marks)
- b. Describe the different characteristics in the public procurement. (15marks)

Question Four

- a. In all relationships, disputes cannot be avoided. You are a contracts manager at Lira City Council Authority and disagreement arose between a contractor and the City. You are in the center of providing resolutions to this dispute. Describe four various alternative resolutions that you can apply. (10marks)
- b. In many cases after a project is completed, some assets are expected to be disposed off. Assuming this happens to your organization, explain seven reasons that could lead to the disposal. (15marks)

Question Five

- a. Describe the six various procurement methods commonly applied in Uganda. Which one is the most recommended and why? (15marks)
- b. One of the procedures to start evaluation of bids is to assemble evaluation team. Explain the four factors to consider when setting up evaluation team. (10marks)

Question Six

- a. You have been invited for an interview, and one of the questions you suspect to be asked is on content of evaluation report. It is obvious that you are very ready for the day. Explain to your colleagues seven points that you have put in your draft response. (15marks)
- b. All activities to be undertaken in the procumbent practice are contractual and must be legal binding. Explain this statement and describe the contract management process. (10marks)

The End.
